Note:

1. Brokerage and forwarding services are available upon request.

2. When handling cargo with a specific weight of less than 170 kg/cubic meter, the tariff weight of the load is determined on the basis of 1 cubic meter = 170 kg. In case of excess of the actual weight of the cargo over the given (specific) weight, the payment of fees is carried out according to the principle of "the highest indicator".

3. Ensuring of customs and identification inspection on one document with the participation of a CC specialist is paid additionally at the rate of 135 UAH / hour / 5.24 EKD. USA / hour

4. LLC “Odesa International Airport” has the right in certain cases to set individual tariffs for the services provided by the CC, different from mentioned above tariffs on a contractual basis.

5. Prices include VAT.

***Payment for services is carried out in the national currency of Ukraine. The subscription invoice is issued in UAH, the cost of services is recalculated into the national currency of Ukraine at the rate of NBU on the day of the invoice.**
